The RocYork® No-Ha 2.0 is the next evolution in door handles.

Integrating door handle and magnetic lock in one box, RocYork No-Ha 2.0 enables doors to be opened and shut whilst completely concealing the handle providing the same finish as the door and walls.

RocYork No-Ha 2.0 is part of the RocYork No-Ha collection, which includes the RocYork No-Ha Slide for sliding doors, RocYork No-Ha for drawers, cupboards and other accessories such as plates, WC handles (possible with No-Ha Nm 937).

The RocYork No-Ha cover plate is interchangeable so that it can be made to match the finish of the door panel. Also available in MDF or brushed stainless steel, the No-Ha handle has a solution for all interior appearances.
